Plaintiffs

v.

INFOWARS, LLC, et al

Defendants.

Case Number: 1:20-cv-298-LY

SWORN DECLARATION OF KELLY MORALES

1. I, Kelly Morales, hereby declare under penalty of perjury that the following is true and correct and based on my personal knowledge and belief.

2. I am over the age of 18 and mentally and legally competent to make this affidavit, sworn under oath.

3. I am the former wife of Defendant Alex Jones. I was married to Alex Jones for 12 years and with him for 15 years and we have 3 children together. During our time together, I was involved in the activities of Alex, his father David and Infowars and am intimately knowledgeable about their activities and business structure.

4. Based on my personal knowledge and experience, David Jones runs Infowars with Alex Jones and helps him with his activities, including fixing media stories and endorsing and/or aiding his slanderous and/or fraudulent behaviors, all for profit.

5. Infowars, LLC is a sub-entity of Free Speech Systems, LLC ("FSS"), and David Jones is an employee of FSS, or he has been.

6. David Jones is additionally a managing member of multiple entities that are closely held businesses, constituting financial holding companies or financial distribution centered around Infowars/Alex Jones' supplement line, which are quintessential to funding and running Infowars.

7. Alex Jones could not function without David Jones, and has conspired with him on the past to commit this breach of fiduciary duty and fraud on my business/estate with Alex Jones. While David Jones did this, he slandered and/or defamed me to experts and assisted Alex Jones and his attorneys to do the same, so as to steal/hide my estate and his grandchildren's inheritance.

8. Alex Jones is quasi-illiterate, and cannot use technology or apps such as email with any fluency, and he cannot function without assistance from those around him, including David Jones.

I hereby swear under oath and penalty of perjury that the foregoing facts are true and correct to the best of my knowledge and belief.
